Hidden Pet Fences - Freedom and Safety for Your Pet

The most important reason to choose an [underground dog fence](#) from DogWatch® is because we care as much about your pet as you do. Our Pet-Friendly™ products and owner-friendly service are designed to give you freedom and flexibility while keeping your cat or dog safe at home. If you want the best pet containment products for your furry companion, be sure to ask for DogWatch by name.* And, don't forget, a DogWatch Hidden Dog Fence works great for [cat containment](#), too (indoors and outside)!

Trade-In Opportunity (for Invisible Fence®, PetStop® and other systems)

If you have an Invisible Fence®, PetStop® or other professionally installed hidden fence, we'd be happy to upgrade you to a DogWatch system. We make it easy for you to get the very best! In most situations we can use your existing buried wire, so all we have to do is swap out your equipment and adjust the settings. We'll even discount the cost of the new equipment!
